

# Will Delorm

willdelorm@gmail.com | 973-634-4619 | Eugene, OR | <https://willdelorm.com>

## EDUCATION

EMERSON COLLEGE | BFA THEATRE DESIGN/TECHNOLOGY

Boston, MA | 2008 - 2012

## WORK EXPERIENCE

SELF-EMPLOYED | WORDPRESS WEB DESIGNER & DEVELOPER

2021 – Present

- Provided design-to-deployment services for small businesses
- Produced digital mockups of site design using Figma
- Optimized sitemap to improve navigation
- Expanded website to market full breadth of services offered
- Established contact form to bolster client leads and retention
- Trained clients to make minor edits to copy and images on platform

THE CLIFFS CLIMBING & FITNESS | MANAGER OF INSTRUCTION

New York, NY | 2018 – 2021

- Instructed trainers on best practices to ensure and instill climbers safety in a gym serving 4000 members
- Collaborated on rubric with youth program to allow underage climbers to learn advanced skills
- Implemented and tested rope pulley systems to improve access for climbers with disabilities
- Maintained and inspected climbing hardware to foresee and avoid future risks
- Participated in restructuring of operations during the COVID-19 pandemic by: Adjusted class sizes to accommodate state and federal health requirements; Worked with General Manager on flow of traffic to optimize social distancing; Supervised staff hourly cleaning and disinfecting schedules

FREELANCE | ASSOCIATE LIGHTING DESIGNER

2012 – 2017

- Managed drafting and paperwork for concurrent productions providing daily updates as needed
- Coordinated with multiple departments the use of venue spaces to ensure all elements fit without issue
- Adapted touring production around the world to produce quality experience, from a 15th century castle to a 400-seat performance venue
- Learned to program a new lighting console on the fly while supervising the rest of the production set up
